

EURON PLUS INDIA

Product Data Sheet

AUTO-BOOST 2T

Performance : JASO FC

Description : EURON PLUS AUTO-BOOST 2T is premium quality semi synthetic high-performance oil formulated with superior quality base oils in combination with selected world best additives designed to control carbon built-up on the piston, spark plug and other engine parts.

Application : Recommended for modern generation 2-stroke motorcycle, scooters and CNG/LPG operated auto-rickshaws.

Benefits :

- Low smoke engine oil meets the requirement of latest trending 2-stroke engines
- Active Cool-Clean Technology which keeps engine cool and clean
- Helps to remove carbon deposits from the engine surfaces
- Easy miscible with fuel
- Emits low smoke and provides quick and reliable starting

Characteristics :

Test Parameter	Test Method	Typical Value
Kinematic Viscosity @ 100° C, cSt	ASTM D 445	8.5
Viscosity Index	ASTM D 2270	124
Flash Point, (COC) °C	ASTM D 92	156
