

EURON PLUS INDIA

Product Data Sheet

GEARON EP-90

Performance : API GL-4 Performance

Description : EURON PLUS GEARON EP-90 is the high-performance automotive gear oil which is formulated with the finest quality base oils and specially intended additives having outstanding load carrying capacity and superior extreme pressure properties.

Application : Recommended for gear transmission system of cars, buses, trucks, tractors, LCVs, MCVs, etc.

Benefits :

- Delivers outstanding load carrying capacity against continuous torque generated by transmission system at various speeds
- Encounter extreme pressure, wear, corrosion, oxidation and foaming
- Excellent performance under severe stress, heavy load and low temperature

Characteristics :

| Test Parameter | Test Method | Typical Value |
|-----------------------------------|-------------|---------------|
| Kinematic Viscosity @ 100° C, cSt | ASTM D 445 | 16.5 |
| Viscosity Index | ASTM D 2270 | 96 |
| Flash Point, (COC) °C | ASTM D 92 | 240 |
| Pour Point, °C | ASTM D 97 | -6 |
