

UNI-TRACK 15W 40

Performance : API CH-4

Description : EURON PLUS UNI-TRACK 15W-40 is finest quality heavy-duty tractor engine oil formulated with the finest quality base oils and specially intended additives specially designed to provide up-to the mark performance under various operating conditions.

EURON PLUS UNI-TRACK 15W-40 delivers high durability and optimum engine performance even in extreme load conditions. It carries high thermal and oxidation stability to the diesel engines of modern generation of tractors.

Application : Recommended for modern supercharged & turbocharged diesel engines of modern generation tractors.

Benefits :

- Delivers optimum engine performance in various operating conditions
- Advance cleanser properties for piston cleanliness in high temperature
- Possess unified oil thickness in all operating conditions
- Offer Longer oil drain interval and high durability
- Excellent Anti-wear, Anti-corrosion, Anti-foaming properties for longer engine life
- Provide ultimate cold start performance

Characteristics :

Test Parameter	Test Method	Typical Value
Kinematic Viscosity @ 100° C, cSt	ASTM D 445	14.8
Viscosity Index	ASTM D 2270	140
Flash Point, (COC) °C	ASTM D 92	250
Pour Point, °C	ASTM D 97	-30
CCS Viscosity @ -20°C, mPa.s	ASTM D 5293	6100
