

GEARON EP-140

Performance: API GL-4 Performance

Description: EURON PLUS GEARON EP-140 is the high-performance automotive gear oil which is formulated with the finest quality base oils and specially intended additives having outstanding load carrying capacity and superior extreme pressure properties.

Application: Recommended for gear transmission system of cars, buses, trucks, tractors, LCVs, MCVs, etc.

Benefits:

- Delivers outstanding load carrying capacity against continuous torque generated by transmission system at various speeds
- Encounter extreme pressure, wear, corrosion, oxidation and foaming
- Excellent performance under severe stress, heavy load and low temperature.

Characteristics:

Test Parameter	Test Method	Typical Value
Kinematic Viscosity @ 100° C, cSt	ASTM D 445	26.3
Viscosity Index	ASTM D 2270	95
Flash Point, (COC) °C	ASTM D 92	245
Pour Point, °C	ASTM D 97	-6
