

GEARON EP 85W 140

Performance: API GL-5 Performance

Description: EURON PLUS GEARON EP 85W 140 is heavy-duty extreme pressure gear oil which is formulated with the finest quality base oils and specially intended additives carrying high viscosity index and extreme pressure properties.

Application: Recommended for hypoid differential and conventional gear transmission system of automotive vehicle industries.

Benefits:

- Delivers outstanding load carrying capacity against continuous torque generated by transmission system at various speeds
- Outstanding Anti-wear properties hence protects the gear components against wear under heavy loads.
- Excellent extreme pressure and Anti-foaming properties

Characteristics:

Test Parameter	Test Method	Typical Value
Kinematic Viscosity @ 100° C, cSt	ASTM D 445	26.3
Viscosity Index	ASTM D 2270	98
Flash Point, (COC) °C	ASTM D 92	248
Pour Point, °C	ASTM D 97	-15
