

Product Data Sheet

GREEN-GOLD CNG 20W 50

Performance: API SN || Green Performance

Description: EUROON PLUS GREEN-GOLD CNG 20W 50 is high-tech superior gas engine oil formulated with a combination of high-performance premium base oils and specially intended additives for CNG and PNG vehicles which delivers the high thermal protections and longer life.

Application: Recommended for automotive engines operating with CNG and LPG as fuels, most likely in three wheelers.

Benefits:

- High durability and longer drain period
- Outstanding thermal stability
- Keeps engine cool and clean
- Better performance in all operating conditions
- Higher oxidation and nitration resistance properties

Characteristics:

Test Parameter	Test Method	Typical Value
Kinematic Viscosity @ 100° C	ASTM D 445	18.5
Viscosity Index	ASTM D 2270	126
Flash Point, (COC) °C	ASTM D 92	244
Pour Point, °C	ASTM D 97	-24
CCS Viscosity @ -20°C, mPa.s	ASTM D 5293	9000
