

MG VICTOR 20W 40

Performance: API CF-4

Description: EURON PLUS MG VICTOR 20W-40 is premium quality multi-grade engine oil formulated with the finest quality base oils and specially intended additives specially designed to perform under the most substantial operating conditions.

EURON PLUS MG VICTOR 20W-40 delivers high durability and optimum engine performance even in extreme load conditions. MG VICTOR 20W-40 provides greatest protection against oil degradation, wear and corrosion.

Application: Recommended for use turbocharged / supercharged diesel engines particularly in LCVs, HCVs, tractors, multi-utility vehicles, 3 wheelers, agriculture diesel generator set, etc.

Benefits:

- Deliver optimum engine performance in extreme load conditions
- Excellent Anti-Wear properties for longer component life
- provide easy engine start-up and minimal start-up wear
- Advance cleanser properties that provide improved engine cleanliness and ensures consistent high performance of the engine
- Offer longer oil drain interval and high durability

Characteristics :

Test Parameter	Test Method	Typical Value
Kinematic Viscosity @ 100° C, cSt	ASTM D 445	14.7
Viscosity Index	ASTM D 2270	118
Flash Point, (COC) °C	ASTM D 92	248
Pour Point, °C	ASTM D 97	-24
CCS Viscosity @ -20°C, mPa.s	ASTM D 5293	8000
